**10% off when you register before March 1, 2012**

Junior Achievement of Central Indiana is pleased to provide a fresh alternative for central Indiana youth looking for an **engaging summer camp experience**.

The mornings are spent in large and small group sessions devoted to entrepreneur and philanthropic topics. The afternoons are spent highlighting experiential learning opportunities with the traditional **Junior Achievement BizTown® venue (a kid-tested blast of fun)**.

- ▶ **Financial Literacy:** A chance to learn about saving, credit usage, investing, and budgeting.
- ▶ **Entrepreneurship:** Wow! Hear true life stories from entrepreneurs and inventors from right here in Indianapolis. Campers plot their course for their own invention and/or entrepreneurial business. Imagine an opportunity to brainstorm, design, create, patent, and market an invention or business of your very own.
- ▶ **Work Readiness:** Work-Readiness skills are infused throughout the entire camp day.
- ▶ **Philanthropy:** Learn more about the importance of giving back to the community.
